FOREWARD

As can be seen from this Newsletter covering the period from July, 2024 to December, 2024, it is a matter of great pleasure for me to realize the fact College of Agriculture, Tripura is continuing to thrive and prosper, buoyed by the talent, commitment and diligence of all sections of employees and students involved in proper functioning of this College. There is a rich flow of scholarly information being accommodated in this Newsletter.

Commemorating 18th Foundation Day celebrated on 30th August, 2024, toppers of B.Sc (Hons) Agriculture and M.Sc.Ag. (Agronomy) were awarded with certificate of appreciation and medals . This sort of admiration to the students for their academic excellence and to the staff for their efficient performance will, as assessed by us, definitely augment the enthusiastic zeal of persons to achieve in the time to come. Rural Entrepreneurship Awareness and Development Yojana (READY) has also been carried out by 4th year students effectively in various skill oriented learning activities. I extend my heartfelt thanks and appreciation to all including the Editorial Board to bring out this publication of News Letter in an elegant mode.

Prof. Debashish Sën
Principal,
College of Agriculture, Tripura

NATIONAL CONFERENCE

IPS North-Eastern Zonal meet and AAAs National Conference

College of Agriculture, Tripura along with Indian Phytopathological Society (IPS), New Delhi and Academy for Advancement of Agricultural Sciences (AAAS), Kalyani has organized "IPS North-Eastern Zonal Meet & AAAS National Conference on "Advances in Innovative Technologies & Plant Health Management Strategies in Climate Resilient Agriculture (AITPCRA - 2024)" in collaboration with Society for Advancement of Agricultural Innovation (SAAI), Agartala, Tripura and Directorate of Extension Education (DEE), CAU, Imphal during September 26-27, 2024 at College of Agriculture, Tripura.

Hon'ble Governor of Tripura His Excellency Indrasena Reddy Nallu has inaugurated the National Conference which was also attended by over 200 scientists, research scholars, and dignitaries from different regions of India. In his address, His Excellency urged the scientific community to work towards Climate Resilient Agriculture and sustainable agriculture approaches. The conference included Eleven (11) Themes covering various disciplines of Agriculture and Allied Sciences. In this regard, Abstract Book cum Souvenir on the "IPS North-Eastern Zonal Meet & AAAS National Conference on "Advances in Innovative Technologies & Plant Health Management Strategies in Climate Resilient Agriculture (AITPCRA - 2024)" was also released on the inaugural day. The valedictory session of the National Conference was graced by Hon'ble Minister of Agriculture & Farmers Welfare, GoT, Sri.Ratan Lal Nath; Hon'ble Vice Chancellor, Bidhan Chandra Krishi Viswavidyalaya, Mohanpur (BCKV), West Bengal, Dr. Ashok Kumar Patra, and Prof. (Dr.) Debashish Sen, Principal, College of Agriculture, Tripura along with other dignitaries. The students of the college also entertained the participants and guests with their beautiful cultural programmes.
