Agenda 1: To recommend to implement the B.Sc. (Hons) Syllabus of College of Agriculture, Lembucherra, Tripura as approved by ICAR, New Delhi

Resolution 1: The B.Sc.(Hons) Agriculture syllabus as approved by the 6th Deans' Committee of the ICAR, New Delhi was placed before the Departmental Committee . The Deans' report along with the common academic regulation for PGD programme of College of Agriculture, Tripura and prospectus was thoroughly examined and considered by the aforementioned committee members. The Departmental Committee unanimously recommended to implement the aforementioned new syllabus for the newly admitted students in College of Agriculture, Tripura.

Agenda 2: Requirement of two (2 nos.) air conditioner in the Instrumentation facility of the department

Resolution 2: The Departmental Committee discussed and resolved that two 2 ton Air Conditioner (AC) are required for proper cooling and temperature maintenance (as the two existing AC are not working) at the instrumentation centre of Department of Botany, as the high end instruments are at risk due to non ambient temperature conditions.

The meeting ended with the vote of thanks.
